

親愛的同學：

昨日其他大學發生一個令人悲傷的校園憾事，一位同學因承受不住同儕的網路霸凌，選擇跳樓輕生…！我想特別提醒同學們在當鍵盤俠的時候，除了抒發意見與情緒時，也要小心是否會產生自己承受得住的後果？社會上很多年輕人因為逞一時之快，讓憤怒控制了理性，從此命運墮入黑暗之淵！年輕人有犯錯的權力，但傷及無辜就不是現代文明世界該有的行為。大家都是父母及親人的寶貝，校園裡也是校長的珍寶！我每天上班第一個處理的就是校長信箱，無論發生任何事，校長永遠是各位支持的力量！再次祝福大家在開南校園裡創造並享受一段美好的生命！有朝一日我們將因曾經是彼此生命中的過客而感恩慶幸！

愛大家的校長

Dear Students,

Yesterday, a tragic incident occurred at another university—a student, unable to bear the weight of online bullying from peers, chose to take his own life... Let us take this moment to remind everyone that when expressing opinions and emotions online, we must also consider whether we can bear the consequences of our words. Too many young people, in a moment of impulse, allow anger to override reason, leading to unforeseen and life changing consequences.

Young people, in their ignorance, have the right to make mistakes, but causing harm to another is not something that belongs in our society. Each of you is a precious child to your parents and loved ones, and in this campus, you are also treasures to me as your principal.

Every morning, the first thing I do is check the principal's mailbox. Please reach out if you are ever in this position, I will always be here to support you. I sincerely hope that each of you creates and cherishes beautiful moments in the Kainan University community. One day, we will look back and be grateful for having been a part of each other's lives.

With love,

Your Principal,

Shieu-Ming Chou
